## EPISODE 002 - 10 Questions to ask when interviewing an Attorney

Let's talk about divorce. Contacting a divorce attorney may be hard enough, but asking the real questions may be harder. When a woman goes through a divorce, it's hard to stay focused on what to ask and what not to.

**To help our listeners, I have listed some essential questions to ask your attorney.**

- What is your hourly rate?
- How much is the upfront retainer?
- How much do you bill?
- Do you exclusively practice family law?
- What is exactly the process?
- What is your philosophy?
- What is your post-divorce follow-up process?
- Would you consider yourself a low-conflict or litigation attorney?
- Are you familiar with the judges in my county?

Overwhelming? It really shouldn't be. Listen in as I dig step-by-step into these questions. If we ask the right questions, we will get the right answers.
